## 2025 FALL SEASON RECAP

The 2025 Knightdale Lady Knights Girls 14U Flag had a strong season marked by steady growth, improved teamwork, and consistent effort each week. The players built confidence, sharpened their skills, and showed great sportsmanship throughout the season. Their hard work paid off with a championship win, a huge accomplishment that reflects their dedication and resilience. We're proud of how they represented the program both on the field and as teammates.

The 2025 Knightdale Youth Flag team made monumental improvements over the season. The boys really improved over the season as they improved their ability to focus and became more confident in their abilities. As the season went on players began to stand out in their abilities which gave us as coaches the ability to scheme towards those strengths. We had great support from the parents as they went through our struggle with us but kept bringing the fellas out.

## SEASON RECAP CONT.

---

The 2025 Knightdale Knights Mini Mites finished the season North Conference Champions with a 4-0 conference record and a 5-3 overall mark, showcasing tremendous growth and resilience.

Despite facing injuries and fielding a roster with 25 first-year players out of 32, the team came together and competed at a high level all season. The Mini Mites playoff run ended in the first round against the eventual Super Bowl champions who they lost to by 1pt in the season opener, proving they battled against the best. This season laid a strong foundation for the future of the team.

---

The 2025 Knightdale Knights Mighty Mites had a good season with some wonderful young men. They all progressed very well throughout the season. We are looking forward to seeing them return and building on that progression.

---

The 2025 Knightdale Knights PeeWee Team and KFA organization had a wonderful season. The PeeWees ended the season in a highly competitive Super Bowl against their crosstown rivals, coming up 1 point shy as the Super Bowl Runners-Up! This year's group of new and returning players plan to build off the momentum of last year's 9-2 record and win the division and capture the EWFL Super Bowl. En route to developing our players, and preparing them for the next level of school, football, & life!

GO KNIGHTS!

---

Knightdale Knights Cheerleading for 2025 was a successful year. We had a wonderful group of young ladies who cheered for our Mascots, Minis, Mighty and PeeWee football teams. Much fun and spirited excitement was had by our girls, while learning the skills of cheerleading. We practiced hard for our games and ended the season participating in EWFL Cheer Explosion. Our ladies did an outstanding job. We invite everyone back to our 2026 season which promises to be even better than 2025. Our coaches are excited and will be working during the off season and we hope to see you all back again. Let's continue to be stronger, better and together as one Knight Family.
